ITERAM - THE ALTERNATIVE MANAGER SPECIALIST

We are pleased to share with you that we have been nominated in 2 categories at the “Hedge Fund Manager - European Hedge Fund Performance Awards 2018” in London

- › Multi-manager alternative strategy
 1. Category - **Best FoHF Long-term performance (5 years) under \$500M**
 2. Category - **Best FoHF Multi-strategy**

Each year, HFM recognises and rewards the best performing European-based hedge funds of the past 12 months. Nominations are based on risk-adjusted performance, qualitative information and structural criteria.

ABOUT THE STRATEGY

The strategy was launched in December 2006, which offers access to the industry's leading Hedge Fund Managers. The strategy aims to generate positive absolute returns while mitigating correlation to traditional asset classes during a market cycle. The strategy allocation of the portfolio is managed dynamically. The strategy has historically demonstrated a consistent low volatility profile and strong downside protection.
